A packed auditorium at Haliburton Highlands Secondary School paid tribute to this year's graduating classes. Among those honoured were: from the left, Susan Milne, Karen Gillespie and James Bennett who were named Ontario Scholars, having achieved and maintained an 80% average in all Grade 13 subjects. For more photos and details of this year's graduation exercises, please see pages 12 and 13.

Nordic ski program receives \$150,000 grant

The Ontario cabinet has awarded a \$150,000 Lottario grant to the Haliburton Highlands Nordic Trail Association to develop a linked trail system and a competitive course in Haliburton County.

The proposed trail system will cover five municipalities. The total estimated cost of the project is \$263,000.

The proposal was presented to representatives of the Ministry of Tourism and Recreation (MTR) in April by a delegation from the area headed by Curtis Eastmure, a member of the association executive.

Also present were Art Ward owner of Wig-A-Mog Inn and Mike Exall, coordinator of the outdoor education program at Seneca College and an authority on cross country skiing.

The management board of the MTR unanimously approved the proposal which was then presented to cabinet by Reuben Baetz, the minister of Tourism and Recreation. Cabinet approved the grant on Wednesday June 20.

Following the announcement of the cabinet decision, Curtis Eastmure commented, "We have to give credit to Reuben Baetz and his officials. They were very supportive."

The Lottario funds which will be managed by the MTR will cover planning

and management costs and the purchase of track setting vehicles and equipment. The association will be negotiating with local municipalities to provide brush cutters, general labourers and heavy equipment at an estimated total cost of \$80,000. It is expected that the project will meet the requirements of federal work projects.

Private corporations will be approached for funding that will cover the costs of office rental, vehicle leasing and directional signs.

At a meeting held this past weekend, Board members agreed that work should begin on the project as soon

as possible. It was decided that a consultant should be hired for one year, commencing at the end of July, to design, survey and supervise the construction of the trails. According to

Curtis Eastmure, the Association "hopes to have 75% of the trails completed by this winter and the remainder completed next year."

He explained that the project would create

approximately 125 km of recreational ski trails and a 25 km competitive course. "The trail will like up five municipalities; Glamorgan, Snowdon, Stanhope,

Dysart and Minden," he said, adding that all the areas have cross country trail development except the municipality of Anson,

Hindon and Minden which is currently developing a system.

The association plans to bid on the Junior or Senior North American Cross

Country Skiing Championship which will take place in the winter of 1986-87 and hopes to stage the World Cup by the end of the decade.

Lutterworth taxes up 3.9%

The Lutterworth Municipal Council has approved the 1984 municipal budget of \$1,025,183. The budget was passed at a special meeting held on June 5.

The residential mill rate has been increased by 3.9% to 1.207. The commercial and business mill rate has been set at 1.417, an increase of 3.7%.

Taxes levied by the municipality will amount to \$548,714 or 54% of the total revenue.

The Haliburton County Board of Education levy is \$332,733 an increase of 4.6%. Of this amount \$323,686 will be raised through taxes accounting for 59% of the total taxes levied.

The 1983 surplus of

\$5,904 will be used to reduce taxes for general municipal purposes to \$158,218.

The remaining \$66,809 in taxes is allocated to the municipality's share of the County budget.

The Province of Ontario will contribute 81¢ for every dollar of realty and business tax imposed by the township.

The province will provide \$246,615 to the Board of Education through the municipality and a further \$197,896 in grants and subsidies for municipal expenses.

The municipality expects to collect \$31,956 in revenue from other sources such as licence and permit fees, the sale of road allowances and administrative fees.

While senior students at Elementary and Secondary Schools throughout the county were holding graduation exercises, a similar ceremony was taking place for the young students of Bonnie Fitzgerald's kindergarten class at Archie Stouffer Elementary School in Minden. Suitably attired with mortar boards and name badges, the pupils received graduation certificates marking their entry to Grade 1.

THIS WEEK

The Times introduces a new summer feature with this edition of the newspaper.

A second section has been added to the newspaper for the summer months. The section, called This Week in the Highlands, will provide information about upcoming events in Haliburton County. It will also feature interesting articles about the area. The television guide, which normally appears with the regular edition of the newspaper, has also been included with the second section.

Some of our readers may have already seen a copy of This Week. The section is delivered to lodges, resorts, campgrounds, restaurants and other tourist related facilities throughout the county. Combined with the newspaper distribution, This Week has a circulation of 10,000 copies.

We hope our readers find this an interesting and informative addition to The Times.

Kanawa board announces site criteria

The board of directors of the Kanawa International Canoe Museum has announced the set of criteria it will use in evaluating potential sites for the relocation of the facility. The details of the board's criteria were announced earlier this month.

Rather than presenting a list of requirements for the museum, the board of directors has issued a list of questions and guidelines which communities interested in bidding for the museum will use in formulating proposals. The board indicated that the material being supplied was

not to be considered a complete list of criteria, "but are to serve as a guideline for proposals." The release from the board suggested that those submitting proposals may expand on the presentation and shouldn't feel constrained by the outline offered.

The list of guidelines covered five areas including the community being proposed, the specific site, the building, academic associations and funding.

Under the community heading, the board was looking for information on the degree of community support and involvement.

There are questions regarding the commitment of the community, executive backup, and the existence of an historical society. The board also requests information about the tourist infrastructure, detailing accommodations, restaurant and other services as well as additional attractions which might be related to the canoe museum.

Questions are also asked about fire protection, policing, highway accessibility, sewer and water services.

On the specific site being proposed by the applicant,

the board requests information on the availability of land, space for expansion, potential for outdoor activities, including water accessibility for demonstrations and rides.

Under the building heading the board is looking for information on whether a new structure is being proposed or an existing one will be adapted to the museum's needs. If the structure is to be new, details are requested as to cost, the time frame for construction and financing details. If it is an existing building, the board requests information on the needed renovations,

potential obstacles to converting the structure, its historical significance, if any, as well as details surrounding the financing and timing of the building.

The board was also interested in ascertaining if

the amount of support which could be expected from the private and corporate sector.

Finally, the guidelines ask those making proposals to estimate the expected

there were grants available through an academic institution for research and publishing, computer time and other related services.

"What will be the academic input to Kanawa, if any?" the guidelines ask.

Details of the financial aspects of the proposal probe the operating costs of the location and how the

revenue from food services, entrance fees, courses and seminars and a boutique.

The board has requested that communities interested

in presenting a proposal submit a letter of intent by August 1 and that the

complete proposal be submitted by October 1.

Frank Wallace of the Haliburton County Historical Society said he felt the local organization was in a strong position after having

reviewed the criteria set by the board. "We've got the momentum and the organization," he said. "The major hurdle will be securing funding and we are

working on that."

The chairman said the society had not formally begun to formulate its response to the criteria but

that the process will begin soon. The society earlier this month selected a site on Head Lake as the best possible location for the museum in the county.

funds will be obtained for such items as lighting, heat, etc., including staff. "Have capital expense items been identified?" the guidelines ask. "How will the funding be arranged?" The report

then lists a number of areas where capital expenditure could be expected including renovations, display development, food services, security, access roads,

parking lots and atmospheric control.

"What type of funding is expected from the three levels of government?" the guidelines ask. It also probes

Third break-in at Lakeview Centre

The Lakeview Centre in Haliburton has been the target of thieves for the third time in two weeks. The building, which houses the offices of Sir Sandford Fleming College and the CHACE Place, was entered illegally sometime during Saturday night-Sunday morning.

According to the police there was some minor damage to some lockers in the building, but nothing of value was taken in the incident.

Police are also investigating two, possibly related, break-ins which occurred at the same time. The Dysart municipal office was entered and \$20 in cash taken. Access to the building was gained by breaking a window.

The other break-in occurred at the Sky Slider office. A rear door was forced open. A cash register was damaged by the intruders, but nothing was taken.

The incidents are being

investigated by Constable Mike Maher.

Driver charged

A 19 year old Bancroft man has been charged with careless driving after his vehicle was involved in a single car accident on Highway 121 north. The mishap occurred June 20.

According to the police, the driver, Christos Magafas, failed to negotiate a curve in the highway and in attempting to bring the vehicle under control, left the roadway and rolled over. Damage to the 1977 model car was estimated at \$4400. The driver and passenger received minor injuries in the incident.

Constable Dave MacMartin was the investigating officer.

Foot injured

An incident on the Green Lake Road in Stanhope Township sent a local resident to the hospital in Haliburton for treatment of injuries to his foot.

Erin McGuire, 19, of Stanhope Township was the

passenger in a car driven by 27 year old Cesare Gasparie. The vehicle had run out of gas and was coasting to a stop when Erin stepped out of the vehicle. However, he was not nimble enough, and the rear wheel of the vehicle rolled over his foot.

The incident was investigated by Constable Dave Rogers.

Car flips

A single car accident June 23 resulted in \$2000 damage to a vehicle, although none of the passengers was injured.

The mishap, on the old Airport Road in Minden Township occurred when 23 year old Debra McCracken of Ingoldsby lost control of the car she was driving and it struck a rock at the side of the road and rolled over.

The matter was investigated by Constable Paul Shaughnessy.

Hits tree

Swerving to miss oncoming traffic, 23 year old Trevor Chiasson of Peterborough found himself

Soyers Lake meeting

The spring meeting of the Soyers Lake Ratepayers' Association was held at the PineStone Inn on May 20, 1984, and was attended by 31 members. The President, Lew McCorriston, chaired the meeting.

Business discussed included an update on the status of the Official Plan and Zoning Bylaw, costs associated with lakeshore road allowance closures, the Provincial government's recently completed Lakeshore Capacity Study and the difficulty of gaining access to information from the study, the question of which government authority is responsible for maintaining the boat channel under Highway 121 near Wentworth Marina, the value to the Association of continued membership in the Federation of Ontario Cottagers' Associations,

and the sale of a lot on Soyers Lake zoned "open space".

Plans were made for Association activities during the summer, including sailboat events, the fish derby, and the annual corn roast and regatta to be held on August 25. Reports were received from the chairmen of the various committees, and special thanks were extended to Ben Cameron, Treasurer, and Gordon Ogg, Corn Roast Committee Chairman, for their service over a number of years.

The Association also recognized the efforts of Ross Partridge, Chairman of the Pollution Committee, for his efforts not only in carrying out tests and obtaining secchi disc results, but also in maintaining the authorities' interest in the water quality of Soyers Lake. Mr. Partridge pointed out that while the test results

have been generally satisfactory, the lake water is no longer tested for bacteria and the use of suitable filters for bacteria removal from drinking water is strongly advised.

The highlight of the meeting was a showing of the film on acid rain entitled "Requiem or Recovery", which stirred up so much controversy in the United States.

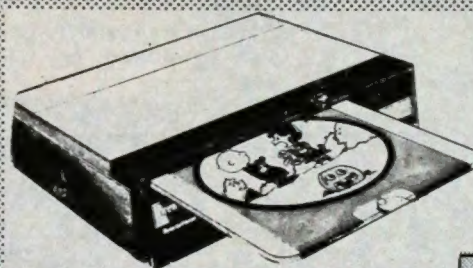

The film, produced for the Canadian Coalition on Acid Rain, vividly portrays the destruction of forests as well as fish, wildlife and plants as a result of acid emissions. As a mark of its support, the Association voted a donation to the Coalition in its fight against this major environmental threat. Appreciation was expressed to Lew McCorriston who made special efforts to obtain the film.

6 miles north of Minden on Highway 35

Victoria-Haliburton MP Bill Scott is obviously pleased with the duty he performed Friday afternoon in Haliburton. The local representative was on hand to snip the ribbon officially opening the Senior Citizens' Drop-in Centre. Anna Nichol, left and Marie Wallace co-ordinators of the volunteer programs for seniors were also pleased with the ceremony. A large crowd of seniors, local dignitaries and interested citizens were on hand to witness the event and take part in a picnic lunch which followed.

Drop-in centre opened by Scott

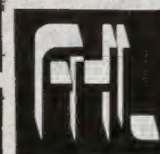

A picnic and a ribbon cutting ceremony marked the official opening of the Haliburton County Home Support Services Drop In Centre at the Drag River Municipal Building on Friday.

Victoria-Haliburton MP Bill Scott and Dysart et al Reeve Murray Fearrey joined members of the Home Support executive for the ceremony.

Scott offered his congratulations to the staff and volunteers who have made the program such a success.

The MP emphasised that the services offered by the Home Support program are particularly important in this county since many people have moved to this area following their retirement. Citing figures from a recent Canadian census, he pointed out that people over 65 years of age comprise nearly one fifth of the population of Haliburton County. This figure is twice the national average.

Following his speech Scott presented a Canadian flag and a portrait of Queen Elizabeth to the Centre then cut the ribbon declaring the Centre officially open.

Good news

There was good news this week for expansion of off season tourism facilities in Haliburton County. The news was contained in an announcement that the Ontario Cabinet has agreed to a \$150,000 Lottario grant for the development of a linked cross-country ski trail system for the county.

The announcement caps several years of diligent effort on the part of the Haliburton County Nordic Trail Association. The group was initially formed to create a trail system which would give visitors and local enthusiasts an opportunity to enjoy a varied cross country ski experience. However, the group quickly saw the potential for expanding the idea into a world class facility. Careful planning and a lot of hard work has brought this bold plan to this first important stage.

The establishment of a world class cross-country ski facility in the county will result in a number of important and valuable benefits. It will certainly enhance the Haliburton Highlands as a desirable winter vacation destination. Tourism plays an important part in the economy of the county with the last ten to fifteen years seeing increasing emphasis on winter activities. Winter was once regarded a lost season as far as tourism in the Highlands was concerned. The snowmobile and cross-country skiing has changed that outlook but there is still much which can be done. The linked trail system proposed by the local organization can only enhance the off-season business.

We can't help but note as well that the linked trail system bring together, among others, five municipalities in the county in a co-operative effort. For those who scoff at the idea of co-operation, or who suggest parochialism reigns forever in the Haliburton Highlands, this joint project offers proof that the municipalities can work together for the common good.

There is much to be done before the linked system is a reality, but a first important step has been taken. We look forward to further news from the Nordic Trail Association.

letters

Editor:

This letter concerns only one person. The person that hit and killed a black and white cat about eight tenths of a mile down Lutterworth Boundary Road.

I don't say it wasn't the fault of the cat, but the person responsible could have told someone, there are only 3 houses in the area, it would have taken all of 5 minutes to check it out.

Instead they left her there and the 2 children whose pet she was found her a few minutes later.

The trauma these 3 and 6 year olds are going through over this I hope comes back to this driver ten fold.

Please, anyone having an accident with a family pet, try to do your best to relieve the pain for the children.

Elaine Anderson,
Lutterworth Twp.

Editor:

Staanworth Court Senior Citizen Apartments are now becoming a reality in Minden. These beautiful

apartment units should be ready for full occupancy by October 1 of this year after four years of patient

negotiation and frustrations galore.

This project was an endeavour fostered by the

three municipalities of Lutterworth, Anson, Hindon and Minden and

Stanhope and after two years of surveys, an official endorsement was given by

the Ministry of Housing to proceed with the project.

In 1982, a Board of Directors was set up and the

non-profit corporation was incorporated.

The following residents were appointed to the Board

of Directors of the Corporation.

From Lutterworth Township: Bill Prentice, Wayne

Hughes and Alf Wickens.

From Stanhope Township: Jim Harrison, Gerald Bain, Bob Wiltshire and Tony Samarillo.

From Anson, Hindon and Minden: Lyle McKnight, Bob Beeney, Gerry Rome, Al Mayo, Don Finn and Eddie Pergolas.

As chairman, I would publicly wish to thank each and every member of the Board of Directors for

unselfishly giving their time and expertise to help make this project a success.

Without their dedication and help, this project might still be bogged down with

frustrations and red tape.

Staanworth non-profit corporation still will continue after the completion of the project with the manage-

ment of the apartments and who knows, perhaps we will be able in the near future to obtain an approval from the

governments to erect even more non-profit housing.

Eddie Pergolas,
Chairman,
Staanworth Non-Profit
Corporation

outdoors

Federation of Ontario Naturalists

I'm gradually converting my garden soil from a clay that approaches concrete to something more friendly to root crops and my less than heroic strength with a hoe. It's a long haul, taking countless loads of topsoil, peat, sand, manure and whatever mulching material I can lay my hands on.

Fortunately, while I struggle on top there is a growing army of volunteers doing yeoman service down below. Earthworms.

Pesticides, weed killers and chemical fertilizers have made living impossible for these tiny soldiers, as well as for toads and other natural allies of the farmer and gardener. But underneath my mulch, earthworms will have a chance to thrive and do their work.

The naturalist Charles Darwin estimated that about 30,000 earthworms live in an acre, and that each worm eats 20 ounces of soil in a year. That means about 15 tons of soil is worked through the gizzards of worms each year on an acre. Not only do earthworms bring soil to the surface, aerating it, but they are continually eating and digesting organic matter in and on top of the soil. The grinding action of their digestive process releases minerals that are locked away and makes these minerals available to plants. Lots of questions occur when one looks at an earthworm. I used to wonder which end was which, until I learned that the head is pointed, the tail flattened. I can't remember now whether that was before or after I accepted a childhood dare to bite one in half.

Both sexes have male and female parts and they mate in a very peculiar way to them. Two individuals place sperm in receptacles in each other. A cocoon is then secreted and is shed over each head, taking with it the eggs of one and sperm of the other. The eggs hatch in two or three weeks, after fertilization in the cocoon. The young closely resemble the adults. Earthworms have no apparent eyes, yet they are sensitive to light. They are highly sensitive to soil vibrations and if the soil is agitated may come to the surface. Although they live underground, they come to the surface at night to feed on organic matter. After a rain, they may appear on the surface, where they have emerged to escape drowning.

Darwin spent 42 years of his life watching habits of earthworms and concluded that they play a more important part in the history of the world than most of us realize. In my garden, every little bit helps.

The camp on the hill

- by Bill Scott, MP -

For the past 19 years I, as your M.P. have had the pleasure of witnessing all the beauty that the Parliament Buildings, and indeed all of Parliament Hill offers. As Canadians, we can all be proud of these symbols of our great country and of the historic democratic process they represent.

For this reason, I was quite concerned during the imposition of the War Measures Act as it imposed undue security which disrupted the public's use of the grounds of Parliament.

Now, another event is continuing which restricts the use of these tax-payer supported public grounds. On June 1st, I rose in the House of Commons and addressed a question to the Minister of Public Works in this regard. The text is as follows:

Mr. W. C. Scott (Victoria - Haliburton): Mr. Speaker, my question is for the Minister of Public Works. Each day as I come from the Confederation Building I notice a mini camp-ground in front of the entrance to this great place, the House of Commons. I understand that the grounds are under the Minister's jurisdiction, and I ask him to clarify the status of the public grounds

around Parliament Hill. Do these members of a special interest group have an agreement with Public Works, or are they paying rent?

Hon. Romeo LeBlanc (Minister of Public Works): Mr. Speaker, I presume the Hon. Member is referring to what has commonly become known as the Peace Camp. Am I correct? This situation arose quite a long time ago, as the Hon. Member knows. In fact it lasted throughout the winter. Perhaps the Hon. Member knows that under the previous administrative arrangements there was a committee composed of a number of Departments which, in fact, gave permission for the initial demonstration or manifestation of views to take place. So far the Government has not chosen to put an end to this expression of views.

Mr. W.C. Scott (Victoria - Haliburton): Mr. Speaker, my supplementary question is directed to the same Minister. I would then assume that any Canadian citizen or group of Canadian citizens could apply for permission to camp there, or camp there without permission. What action would the Government take? Would they be welcome to camp

there during the summer season in particular when there are a lot of campers who would be interested in such a nice camping spot?

Hon. Romeo LeBlanc (Minister of Public Works): Mr. Speaker, the NCC provides other camping facilities with somewhat better services than those provided in front of the Centennial Flame. That being said, it is because of the possibility that other groups might want to set up a permanent Hyde Park corner type of arrangement that we are reviewing the administrative processes that I mentioned earlier.

Since then, I have been approached by Members of both sides of the House expressing their support for my position. I, as other members, quite accept the right of any group to demonstrate on Parliament Hill in support of their beliefs as long as they obey the law. However, no such demonstrations should be allowed to take up permanent residence on any public properties, especially on Parliament Hill and its surroundings.

Liberal leader

Now that the Liberal Party has chosen Canada's next Prime Minister, it is

time that they call an election and see if the people of Canada agree with their choice.

Our Parliamentary system is based upon the representation of Canadians by their Members of Parliament. The Prime Minister is the M.P. who is the leader of the Party that has the largest number of seats in the House of Commons. At the moment, that is not the case and it will not be so until a Federal Election is called.

Only when the people of Canada decide will we know who our Prime Minister is.

It is my firm belief that this should be as soon as possible.

Our Party, under the Hon. Brian Mulroney, is ready to face the task of governing and we feel that the electorate must be given the choice of whom they want now. I am confident that you, and the rest of the country, will make the right choice.

In my opinion, one of the first tasks of the next government, be it Liberal or Progressive Conservative, is to reduce the deficit. What this government has failed to acknowledge are the consequences of deficit financing. When we run a deficit, we must pay the interest on that deficit. Every taxpayer must pay a

share of this interest on their taxes.

The cost of paying the debt in fiscal 1983 - 84 is forecast to be \$18.1 billion, rising to \$24.7 billion in fiscal 1987 - 88. In order to keep the percentage of your tax dollar spent on paying the interest on the deficit at or around the currently estimated 21.5%, taxes will have to increase drastically. As well, borrowing this kind of money annually on the international market has a great effect on the supply and demand for money and thus inflates the interest rates that you and I must pay to borrow money.

School board briefs

The following items were discussed at the Haliburton County Board of Education meeting held on Tuesday June 19.

Appointment

Gareth Kellett was appointed to the position of Vice-Principal at the Archie Stouffer Elementary School on a two year appointment beginning September 1, 1984.

Mr. Kellett is a grade eight teacher at the school and was principal at the Dorset Public School.

Bus policy

Approval was given, in principle, to the brief presented by the Archie

Stouffer Home and School Association on school bus safety.

The board resolved that the Transportation Committee consider the brief and the board's present policy and arrive at a new policy regarding rules for drivers, bus operators and students. The new policy is to be put into effect by the beginning of the school year in September.

VIP

Permission was granted for the V.I.P. (Values, Influences and Peers) guidance program to be continued at Archie Stouffer Elementary School in grade six and to be

introduced at the J. Douglas Hodgson Elementary school in the 1984-85 school year. The VIP program is a joint program initiated by the board and the Minden detachment of the Ontario Provincial Police. (The project which began at Archie Stouffer Elementary School in November 1983, consists of 25 lessons on such topics as peer pressure, decision making, honesty and authority figures.)

Expenditures for the month of May totalling \$833,329 were approved.

Joan Fennell was appointed Executive Secretary to the Director of Education commencing July 1, 1984.

SPECIAL OCCASION PERMIT

from the chamber

As a temporary measure to promote tourism in Ontario, visitors to the province will be eligible for a refund of the 5% retail sales tax paid on transient accommodation during the period May 16, 1984 to December 31, 1984 inclusive. The tax paid for the billing day commencing any time on May 15, 1984 and the billing date ending January 1, 1985 will be refunded. The tax paid for the billing date commencing January 1, 1985 will not be refundable.

Some establishments providing transient accommodation operate under the American Plan or the modified American Plan. Under these plans, the purchaser is charged a single rate for both accommodation and meals. Also effective for the period May 16, 1984 to December 31, 1984 inclusive, a partial tax refund will be allowed on American Plan and Modified Plan charges. The refund will apply only to the tax paid on the accommodation portion of the plan determined by the following formulae.

Type of Plan: Accommodation and 3 meals; Tax Refundable: 3% of total charge for meals and accommodation.

Type of Plan: Accommodation and 2 meals; Tax Refundable: 3.5% of total charge for meals and accommodation.

Type of Plan: Accommodation and 1 meal; Tax Refundable: 4% of total charge for meal and

accommodation.

Visitors may submit a refund claim by completing the application in the pamphlet "Ontario Yours To Discover" published by the Ministry of Tourism & Recreation. The pamphlet is available at all retail sales tax offices and tourist information centres. If difficulty is encountered in obtaining pamphlets, call the Ministry of Revenue's information centre toll free anywhere in Ontario, 1-800-263-3960. The Chamber will carry a supply for your convenience.

As you know, we did experience some difficulties with our 1984 Directory. We apologize to our members for any inconvenience this may have caused. We cannot undo what has happened in the past, however we can promise to do our best to serve you in the future. With this in mind we have arranged a 'free' marketing seminar for our members to take place at Sir Sandford Fleming's Northern Campus in Haliburton Village on Wednesday, June 27, at 7 p.m.

The 1984-85 executive for the Rotary Club of Minden was installed at ceremonies Monday evening. New president Paul Sisson was welcomed to the post by fellow members of the executive. Those serving for the coming year include, from the left, front row, treasurer Clayt Hummel, president Paul Sisson, immediate past president Bill Obee and first vice-president Gerry Rome. Back row, directors, Cal Wilson, Gary Chapman, secretary Bob Wiltshire and directors Peter Bennett, Dave Atkinson and Jack Brezina.

The seminar will be presented by Allcom Marketing Inc. of Toronto. They will be involved in marketing the Haliburton Highlands and producing our directories in the future. The seminar will cover a fresh approach to marketing and should prove highly beneficial to all business people in the county. Please plan to attend.

The manager will be calling on members throughout the summer. We have set aside 3 hours a day in an attempt to visit all members if possible. Sincere thanks to the members that we have visited to date, the warm welcome extended to us was most encouraging.

This week we welcome a new member. Halls Lake Esso and Communications, owned and operated by Dale and Carol MacDonald. The MacDonald's sell CB &

VHF radios, stereos and antennas. They also do car repairs and have a Class A mechanic on site.

Glamorgan Township have an excellent summer program outlined in their Bicentennial Brochure. Pick one up at the Chamber office and join the fun.

Don't miss the Annual Strawberry Supper and Bazaar to be held at Ingoldsby United Church on June 30. For more information call D. Wilkins, 286-1587.

Association backs flood plain changes

The following is the text of a press release issued June 20 by the Ontario Real Estate Association.

New procedures to turn Ontario's flood plain management over to the local municipalities and end the secret decision-making of conservation authorities have been supported by the 29,000 member Ontario Real Estate Association (OREA).

In a letter to Natural Resources Minister Alan Pope, Association President Terry Stafford said the group fully supports the recommendations contained in the Flood Plain Review Committee Report handed to the government earlier this year.

Stafford, a Kingston-area real estate broker, noted that flood plain mapping and designation has caused tremendous problems for property owners across Ontario. Most of the problems stem from the fact that conservation authorities are currently allowed to designate properties as being in a flood plain - and thus restrict or even prevent renovation or certain uses of the land - without letting a property owner know.

In some cases, he noted, whole areas of smaller towns and villages were designated flood plain and the involved municipalities were not even informed.

The Flood Plain Review Committee, chaired by James Taylor, MPP, documented these concerns after public hearings in many localities last fall.

Stafford said the Taylor Committee produced a report which is both fair and balanced, protecting the individual property owners' rights while still supporting the concept of flood management.

He said the Association agrees with the Committee's view that flood plain management is a "well considered and valuable objective ... which has gone out of control."

Under the Taylor Committee Report's recommendations, flood plain management will be returned to the local authorities. Flood plain will then form part of the official plan required under the Planning Act. This, said Stafford, ensures that no property can be designated as flood plain without public input, especially from affected property owners.

The report, he said,

"shows a strong, positive emphasis on the rights of property owners. It balances the public good and private rights which is all that can be asked."

Stafford said the Association fully supports the recommendations contained in the report. They will maintain the high level of flood control and flood management that we all want while ensuring a measure of public accountability.

The Association has documented its concerns over property rights in several publications and has also sponsored Private Property Week each October to alert the Ontario public to property rights restrictions in Ontario. Stafford said that flood plain mapping has been a major thorn in the side of property owners in the Niagara, Dundas-Hamilton, Haldimand-Norfolk, and other watershed areas of the province for many years.

The Ontario Real Estate Association is an organization of more than 29,000 real estate professionals in 48 local real estate boards across the province. In all, more than 50 percent of all real estate professionals in Canada are members of the Ontario Association.

The enthusiasm of players and coaches of the Minden Viceroy's soccer club is evident as they gather for a team photo following a tournament held Sunday. The team which is made up of players from nine to fifteen years old, won two out of three games against the visiting club from Gravenhurst. Scoring for Minden were: Colin McKnight, Derek Moore and Cory Warburton, each with a pair.

Second win for Dixie Lee kickers

by Jim Milne

The Dixie Lee soccer team earned their second win of the season playing against Bracebridge Juniors in Haliburton. It was a windy day but fortunately the rain stopped before game time. Dixie Lee played with the wind in the first half and tried to outrun the defenders following Andrew Shapira's long kicks from the goal. No goals, however, were scored.

Playing against the wind in the second half, Dixie Lee used a more defensive formation with four mid-fielders. Tim Davies cleared the ball and Bracebridge were unable to make full use of their wind advantage. Terry Crowe also vigorously pursued the ball. Midway through the second half, Paul Milne scored from close in after dribbling the ball around a defender. That was the only goal of the game and Dixie Lee won 1-0.

Approaching the mid-season Dixie Lee has played all the teams except Orillia

Inter. They are equal in ability to Bracebridge Centennials, Orillia City and Bracebridge Juniors. The Juniors are exceptional because all their players are younger than 20 years of age. Dixie Lee, of course, is exceptional because they have the greatest spread in age. The other five teams in

the league are quite strong, especially Orillia Inter although Dixie Lee has beaten Parry Sound, Huntsville and Muskoka Sun in the past. Dixie Lee will meet Orillia Inter on Sunday July 8 at Archie Stouffer Elementary School.

All practices and home

games will be in Minden for the rest of the season. We apologise for the inconvenience caused by changing last Sunday's game back to Haliburton. The Minden Juniors were using the field.

The next practice will be Thursday, June 28 followed by Thursday July 5. There will be no game July 1.

DEMONSTRATION & SALE Bathroom Fixtures

Jane Symons, number nine, beats the throw to second base during Monday night's game between the Minden Dixie Lee Seniors and Wilberforce. A strong hitting game and sound defensive play resulted in a 14-2 victory for Minden.

Hammond leads Hustler victory

Scott Hammond slammed a home run and two doubles to lead the Rockcliffe Hustlers to their seventh straight win as they downed the Lindsay Auctioneers 5-2.

This was a very close contest as the visitors opened up a two to nothing lead in the first inning on a single by Bob Hayford and a homer by John Beukeboom. The Hustlers got one back in the second with Hammond's homer, then three more in the third to take the lead. The locals added one more insurance run in the sixth. Jack Snell was the winning pitcher tossing a five hitter for his fourth win of the year.

This week, Wednesday June 27 at 8:00 p.m., the Hustlers take on the Lindsay Dawn Nurseries who defeated the locals 4-1 in the first game of the year. A win for the Hustlers would move them into first place.

This weekend the Hustlers will take in their first tournament of the year as they travel to the Haliburton-West Guilford tournament. This should be a real good tournament as a lot of top notch teams are expected to take part.

The first game of the tournament will feature the Rockcliffe Hustlers and the West Guilford boys on Friday night.

For more information call George Nicholls 754-2468 or Neil Burk 286-1264.

Trent-Severn Waterway news

Rains on Sunday and Monday, June 17, 18 helped the water supply situation. Instead of needing to draw water for replacement of

evaporation and flow losses along the Trent, the Gull and Burnt River tributary flows were reduced a little as

the Kawartha rose slightly.

On June 18 the reservoirs averaged 95.8%, about 4.5% higher for the date than the ten-year average. The decrease of 2.5% from last

week's level had resulted from evaporation and some modest flow required last

week to offset losses. During hot summer weeks the decline gets to be 3.5-4.0% per week depending upon the dryness.

Otonabee River flows were increased slightly early

this week, ie. June 18, 19, to help control a sharp rise on Stony Lake brought about

by heavier than average rain in that area. By the end of the week part of this remained, but flow

reduction to a minimum will be done as soon as the situation is stable.

Minden W.I. pot luck supper

Wednesday, June 20 was a special day for Minden Women's Institute. At noon, 24 members and 3 guests enjoyed the bountiful pot luck lunch. Then the business was done. Mrs. W. Moore arranged for our new Secret Pals and we found out who had been so kind to us in the past year.

We are sending a donation toward the family picnic July 1. We then were ready for our visitors and had antiques, our Tweedsmuir History Books and Minute Books and other W.I. booklets on display.

There was a lovely 77th Anniversary cake centering a table with candelabra and floral arrangements and all signed the guest book.

Mrs. L. Cox, our President, called the group to order and all joined in Oh Canada. Opening Ode and

Mary Stewart Collect with Mrs. D. Cox at the piano.

Special guests were made welcome. Several duets were given by Shirley Colliss and Norma Burke, Sweet Hour of Prayer, Wedding Banquet and Amazing Grace. Readings were given by Mrs. A. Kernohan and Mrs. D. Grant and our history was read by Mrs. M. Sears.

Mr. E. Pergolas, Deputy Reeve of our Council spoke a few words. Mrs. M. Robson, Victoria East District President, brought greetings and spoke briefly, and Mrs. Percy Junkin, Board Member of Division 7 also spoke to us. There were many members in period costumes and at the conclusion, Life Members, Mrs. Fred Wright and Mrs. Wm. Cox, cut the cake.

God Save the Queen

followed and all enjoyed the luncheon.

The door prize was won by Mrs. D. Cox and the trillium mug by Mrs. E. Graham of Lakeview Branch. We were pleased to

see members from other branches in our district. It was certainly a lovely day to celebrate Minden's 125th and our 77th Anniversary.

Strawberries in season

Strawberry season has started in Victoria and Haliburton Counties for 1984. Most of the Pick-Your-Own operations started picking on the weekend of June 23, and depending on the weather, should have lots of delicious strawberries available for the next two to three weeks.

There are 12 Pick-Your-Own Fruit and Vegetable operations that we are aware of in Victoria and Haliburton Counties. Eleven of the twelve feature strawberries. A complete list of Pick-Your-Own operations is available free of charge from the Lindsay Agricultural Office.

The farms with strawberries include the following:

- Bruno Angstenberger, Fenelon Falls. Off County Rd. 8 between Fenelon Falls and Bobcaygeon.

- Marshall and Sheila Boyd, Tamarack Farms, Woodville. Southwest of Argyle.

- Elson's Sebright Gardens, Sebright. Hwy. 503 east of Sebright.

- Kent's, R.R. 4, Lindsay. Hwy. 35 south of Lindsay.

- Poder's Strawberries, R.R. 4, Lindsay. On River Road off Hwy. 35 south of Lindsay.

Harry Puusmen's Valentia Gardens, Little Britain. North of the village of Valentia, on County Rd. 22.

Harvey Risebrough, R. R. 2 Oakwood. On Hwy. 7 between Lindsay and

Oakwood.

The Robertson 1867 Farm, Dunsford. On the Scotch Line Road south of Hwy. 36, just east of Dunsford.

Sid Roskammer's Strawberry & Vegetable Farm, Fenelon Falls. On Hwy. 35, north of Powles Corners.

- Short's Berry Farm, Minden. On Hwy. 121 between Minden and Haliburton.

- Zimmermann's Strawberries, Little Britain. On 6th Concession of Mariposa Township, west of the Oakwood-Little Britain Road.

The strawberries are promising to be a very good crop in this area again this year. While many of the growers are irrigating their

berries, if the dry weather continues into July, later berries could suffer.

When planning to visit a Pick-Your-Own operation, it's a good idea to phone the farm to check that it is open and has berries available. These calls should be made in the evening before or early in the morning. Remember to take your own containers - most strawberries are sold in six - quart baskets. You should wear comfortable and appropriate clothing. Don't forget that strawberry patches make poor playgrounds for children and pets.

Don't miss the wonderful farm fresh taste of hand-picked strawberries from a local grower this year.

Did you know?

by Bambi Gilder

Did you know ... that our office has a book that lists Ontario's Provincial Parks, hiking trails and campgrounds?

Whether you're roughing it in a tent or you're enjoying a trek in your trailer, you'll find a convenient place to camp in the area you choose. Listings are in alphabetical order by community and by name of establishment along with a campground index following the listings.

The seasons in Ontario are filled with thousands of things to see and do and our events books list shows, theatre, festivals, cultural and sporting events and special interest activities to be found all around the province. If you have a specific

area in mind, the Ministry of Tourism and Recreation would be pleased to include your name free of charge on an "Enquiry List" whereby you would receive brochures, maps and information according to your requirements.

Please keep in mind that your County Information Centre is here to help people of all ages find solutions to problems regarding social, health, governmental and environmental subjects. Our office is open Monday through Friday, 10:00 a.m. to 4:00 p.m. and we are located in the Drag River Municipal Building (across from Emmerson Lumber) in Haliburton. So why not drop in or give us a call at 457-2733.

And remember, you will never know the answer, until you ask the question.

**PUBLIC MEETING CONCERNING A
PROPOSED OFFICIAL PLAN FOR THE
TOWNSHIPS OF ANSON, HINDON
& MINDEN**

TAKE NOTICE that the Council of the Townships of Anson, Hindon & Minden will hold a public meeting on

SATURDAY, JULY 21st, 1984

between the hours of 1:00 p.m. and 5:00 p.m. in the auditorium of the Minden Community Centre.

The plan is intended to establish a concept of how the Townships will grow and develop over the next five to ten years. In recognition of the social and economic importance of the area's natural resources, a prime objective of the Plan is the promotion of development while conserving the area's natural resources.

The townships plan is now at the draft stage. If you wish to provide input, now is the time. Please participate in this process so that the Plan may reflect the view of all Township cottagers and residents.

DATED at the TOWNSHIP OF MINDEN this 20th day of June, 1984.

Graduates of the two senior grades were honoured Saturday evening at the Haliburton Highlands Secondary School commencement exercises.

The ceremony began with a colourful procession through the packed auditorium led by piper Earl Cooper. Following an address by J. Douglas Hodgson, retiring Director of the Haliburton County Board of Education, the graduates, attired in purple and white gowns, were introduced to the assembly then presented with their diplomas.

Valedictorians Liane Whitfield and James Bennett spoke fondly of their experiences as students and their hopes for the future.

Grade 13 graduates Susan Milne, Karen Gillespie and James Bennett were honoured by the assembly for being named Ontario Scholars.

The following students

were presented with graduation certificates:

Assistance for Seniors

by Donna Bailey

Home Help for seniors and disabled persons is one of the programs that operates out of our office. The purpose of it is to provide good quality home help and

maintenance at a reasonable rate to those who are unable to do it for themselves. This service is very popular because it enables many to remain in their homes and to conserve their energy so that they can enjoy themselves

doing more fun activities.

If you require someone to help you call our office at 457-2941. We will take your request and pass it along to our new Home Help convenor, Darlene McElwain. She will then either give you name(s) of people who could help you or if you like she will phone someone and make the necessary arrangements for you. Thank you Darlene for taking on this very important service.

If you are an energetic person with time on your hands you may be interested in becoming a home helper. We provide this service in all areas of our County. Perhaps your area is one where our list of home helpers is small such as in Kinmount, Wilberforce, Carnarvon, Harcourt, Dorset, Highland Grove areas but the need is there. Call us at 457-2941 for more details.

If you do decide to become a home helper we are sure you will agree with the rest of our helpers that you will definitely get more out of it than just money -

our clients are lovely people.

As a matter of interest I would like to inform you of the Wheels to Meals programs that will be operating this summer: Minden: Wagon Wheel - alternate Tuesdays, next one July 10. Contact Gloria Lemieux at 286-1139; Carnarvon: Reflections - alternate Tuesdays, next one July 3. Contact Elsie Bursey at 489-2899 or Mildred Archer at 489-2408; Haliburton - Locarno-on-the-Lake - alternate Wednesdays, next one July 4. Contact Fred Love at 457-2725; Kennis Lake area - Backwoods Restaurant - alternate Wednesdays, next one July 4. Contact Jim Wilkinson at 754-2409.

We invite all seniors and disabled persons who are visiting our area to come to any of our Wheels to Meals. For only \$4.00 you can have a lovely meal and then enjoy a social time with many new friends. Just phone the contact person a couple of days in advance to make your reservation. Have a nice day!

County farmers general meeting

On Saturday, June 16, the Haliburton County Farmers Association director for large animals, Mr. Ingram Wessell and his wife, hosted the monthly general meeting. Approximately forty people were on hand to socialize at the afternoon picnic and to learn something of large animal husbandry here in Haliburton County.

Let me first thank Mr. and Mrs. Wessell, on behalf of the Association, for being such superb hosts and for their efforts in planning such an entertaining and informative afternoon. Ingram has made a valuable contribution to the farm organization in his representation as director of large animal husbandry.

The afternoon commenced with a team-drawn wagon ride to the shore of the Gull River, -on the Wessell farm, where the families joined in a picnic lunch. Afterward the group was brought back to the farm buildings, where Ingram led them on a barn tour. Included in some of the sights, of course, were the Wessell's magnificent Belgian draft horses, including two impressive stallions. As well, a number of cattle were in the barn for general viewing.

Following the barn tour two films were shown. One dealt with the heavy horse pulls, which remain a popular attraction at our local fairs. While the second film showed aspects of raising beef cattle, including a visit to the abattoir where the grading of the meat was explained.

After the films, those on hand listened to Carm Hamilton, agricultural representative for Victoria - Haliburton, on some of the programs and initiatives currently underway in an effort to shore-up the ailing beef industry. Those programs he outlined included the beef herd improvement program, the weaning weight program for calves, and the all-inclusive red meat stabilization plan, portions of which are currently underway, pending further recommendations from the committee studying the proposals.

This year the weaning weight program for calves was offered to area farmers. However, only three of our

local cattlemen have undertaken to participate. These initiatives are established on behalf of all the cattlemen in the province in order to stabilize and enhance the red meat industry in Ontario. If they are not willing to support these programs on their behalf then there is no credence to their 'beefing'. For further information contact the agricultural office in Lindsay.

Also on hand for a brief introduction to the membership were representatives from Katimavik. This week I had an opportunity to meet with Chris Niles, who is the team leader for the Minden undertaking, and who explained to me a little bit of what Katimavik is all about. These young people are here from across Canada to learn about other Canadians and the communities in which they live. To the members of the farmers association I would say this, that we are an integral part of the community and rural life in general, so don't be hesitant in reaching out and for a brief time sharing your day-to-day sense of purpose and community with these young people, while learning something about other parts of the country. For further information on the program and how you might assist, contact Chris Niles at 286-3777, or myself. The farming community is still the heart-beat of Haliburton County!

Farming and marriage

- Ag report -

In recent months there has been some interesting discussion about the pros and cons of sole proprietorships vs husband-wife partnerships. Like many subjects in the farming business and married life the debate may never cease and will seldom be won. Being a poor debater perhaps I can take both sides in this article.

Those who favour a sole proprietorship with the other spouse (usually wife) receiving a salary put forward two main arguments. The sole proprietorship is simpler - I cannot debate the point. The annual tax savings is similar. That point can be debated because the answer depends on the facts of an individual situation.

Generally speaking, at modest levels of net farm income, a significant tax saving approaching \$1,000, can be gained by splitting about \$6,000 into the other spouse's income. Sometimes a salary achieves this result; in other cases a partnership achieves it. In the short run the tax implications may well be similar.

However in the long run partnerships appear to be preferable. The closer that spouses are to a 50:50 usually creates the least tax. However 30:70 can still be meaningful. Back to the long run perspective. If the business prospers, as you hope it will, taxes on the business income should be less with a partnership. If each partner invests some profit outside of the business, tax on the investments will be less. If each partner has a share of capital, taxes on the sale of the business and on retirement income will be less

with a partnership.

However, there is more to farming and marriage than taxes. While there are extremists on both the chauvinistic side and the equality side, I find that most farm couples sincerely want both the farm business and the marriage to succeed. Thus the choice of business arrangement may well be dictated by the personal relationships present in the farm business and marriage.

If one spouse only looks after the business and the other only looks after the home then there is no opportunity for either a salary or a partnership. However if both are involved in the business then there may be an option.

If both have contributed to capital as well as labour and management, a partnership (especially one closer to 50:50) can be more easily justified. Personal concerns involve responsibility roles. If one spouse makes most of the decisions, does most of the work and the other is a helper then a proprietorship may well suit their personality style. If both parties are closely involved in the management decisions and both know how to run things, then a partnership likely will suit their personality.

A few female spouses feel that a salary in a proprietorship is demeaning because of an implied master-servant relationship. If that is a real feeling then a partnership should be discussed. A few writers indicate that the spouse receiving a salary may be in a weaker bargaining position should the marriage break down. Presumably the salary recipient was paid as the years went

along. For persons concerned about rights under marriage breakdown, a partnership may, again, be more business-like.

However, it should be realized that only family belongings and the marital home are divided under the Family Law Reform Act. Business assets will be divided by legal process either by way of legal agree-

ment or by way of a court decision. This division should occur according to the facts of the situation and the desire of both parties to see the business continue.

While trying to moderate the debate my bias toward a

partnership probably shows through. A legal partnership can exist without a written agreement. However, a written agreement is desirable. It is extra proof of the existence of a partnership. It also lays down some valuable rules as to how to

operate and get out of a partnership. Good luck in both partnerships - marriage and farming.

4-H Regional Conference

Nine 4-H Regional Conferences will be held across the Province this summer involving 4-H members in a variety of activities. Four-

teen delegates will represent Victoria County at the 4-H Regional Conference in Peterborough, from July 3-5, 1984. Delegates include Peter Atkin; Kevin Burnett; Gerald Clancy; Tracey

Druery; Lesley Evans; Phil Graham; Kamia Harrison; Kim Hope; David Kraan; Tracey McFaul; Mary Helen Recker; Paul Robertson; Tim Teefy and Wanda Szczepaniak.

The theme of this year's conference is "Mining Our Resources". Delegates will work on developing their leadership skills while they meet fellow 4-H members. Regional Conference is also a prime opportunity for

young people to experience life away from home at a university or college campus.

4-H members who are 15 years old as of January 1 and have completed at least one 4-H project are eligible to be selected. The 4-H program provides Ontario's youth with opportunities for personal and community

growth through a range of projects and activities.

Events this week

July 3 - 5: Regional 4-H Conference, Trent University, Peterborough.

Tuesday, July 3: 8:00 p.m. - Haliburton County Farmers' Association Executive Meeting.

Saturday, July 7: Haliburton County Farmers' Association Monthly Meeting.

July 10 - 12: Durham East Soil & Crop Improvement Association Bus Trip, to

New York and Pennsylvania
Wednesday, July 11: Junior Jersey Rally, at Lindsay Fairgrounds.

Grade 8 honour students at Archie Stouffer Elementary School in Minden.

Students receive awards

Senior students at Archie Stouffer Elementary School in Minden received their awards and diplomas at special presentation exercises held last week. In addition to the students who graduated from grade eight and who will be attending high school next year, special awards were presented in various subjects, honouring students of outstanding merit. The following awards were presented to the grade eight students:

Attendance

Perfect: Dwayne Cooper, Kimberley Hicks and Debbie - Kaye Sisson.

Good: Corey Ackley, Janet Brown, Mary Brown, Wendy Buchanan, Mike Carr, Nancy Dugan, Lucinda Dunham, Ted Francis, John Graham, Neil Graham, Julie Hall, Jodie Hancock, Tyna Hie, Christine Kasulke, Cory Porter, Tammy Pritchard, Curtis Reid, Chris Sanders, Jason Stamp and Charlena Warder.

Public Speaking

School Rep: Deneena Davis. Participants: Lisa Tomlinson, Sherry Sawyer and Kim Hicks.

Honour Art Students

Mary Brown, Michael Carr, Dwayne Cooper, Aaron Davis, Deneena Davis, Julie Hall, Jodie Hancock, Kimberley Hicks, Tyna Hie, Christina Kasulke, Olga Kleihauer, Jason Stamp, Debbie Thomas, Lisa Tomlinson, Charlena Warder and Tanya Willis.

Home Economics Honours

Esther Austen, Janet Brown, Wendy Buchanan, Nancy Dugan, Cindy Dunham, Julie Hall, Jodie Hancock, Kim Hicks, Tyna Hie, Tammy Holland, Olga Kleihauer, Terra Mann, Tammy Pritchard, Sherry Sawyer, Debbie Kaye Sisson, Debbie Thomas, Tracey Toye, Charlena Warder and Tanya Willis.

Industrial Arts Honours

Michael Carr, Aaron Davis, Deneena Davis, Neil Graham and Chris Sanders.

French Honours

Esther Austen, Wendy Buchanan, Dwayne Cooper, Aaron Davis, Deneena Davis, Cindy Dunham, Jodie Hancock, Kim Hicks, Tyna Hie, Tammy Holland, Christine Kasulke, Olga Kleihauer, Tammy Pritchard, Debbie Sisson, Lisa Tomlinson, Charlena Warder and Tanya Willis.

Top mark: Charlena Warder.

Honours - Music

Mary Brown, Wendy Buchanan, Aaron Davis, Deneena Davis, Cindy Dunham, Kimberley Hicks, Tyna Hie, Olga Kleihauer, Tammy Pritchard, Sherry Sawyer, Jennifer Tomlinson, Lisa Tomlinson, Charlena Warder and Tanya Willis.

Physical and Health Education Honours

Dwayne Cooper, Aaron Davis, Deneena Davis, Ted Francis, Neil Graham, Kim Hicks, Myles Johnston, Christine Kasulke, Angalo Miscio, Sherry Sawyer, Jason Stamp, Debbie Thomas, Jennifer Tomlinson, Cory Warburton and Charlena Warder.

Honours English

Esther Austen, Michael Carr, Dwayne Cooper, Aaron Davis, Deneena Davis, Cindy Dunham, Jodie Hancock, Kim Hicks,

Tyna Hie, Christine Kasulke, Jackie Kleihauer, Terra Mann, Charlena Warder, Tanya Willis, Lisa Tomlinson and Debbie Thomas.

Mathematics Honours

Esther Austen, Wendy Buchanan, Mike Carr, Dwayne Cooper, Aaron Davis, Deneena Davis, Lucinda Dunham, Tyna Hie, Christine Kasulke, Jackie Kleihauer, Chris Sanders, Charlena Warder and Tanya Willis.

Honours Science

Wendy Buchanan, Michael Carr, Dwayne Cooper, Aaron Davis, Deneena Davis, Nancy Dugan, Cindy Dunham, Jodie Hancock, Kim Hicks, Tyna Hie, Jackie Kleihauer, Terra Mann, Sherry Sawyer, Debbie Sisson, Tracey Toye, Charlena Warder and Christine Kasulke.

Geography

Esther Austen, Wendy Buchanan, Mike Carr, Dwayne Cooper, Aaron Davis, Deneena Davis, Lucinda Dunham, Julie Hall, Jodie Hancock, Kimberley Hicks, Tyna Hie, Christine Kasulke, Jackie Kleihauer, Terra Mann, Tammy Pritchard, Chris Sanders, Sherry Sawyer, Debbie Kaye Sisson, Tracey Toye, Charlena Warder and Tanya Willis.

Honours History

Esther Austen, Wendy Buchanan, Mike Carr, Dwayne Cooper, Aaron Davis, Deneena Davis, Lucinda Dunham, Tyna Hie, Jackie Kleihauer, Chris Sanders, Tracey Toye, Charlena Warder and Tanya Willis.

senior league

by Bert Harrison

Saturday we had a special time, down in our gym. Members of the Anglican, Catholic and United churches of Minden, Carnarvon and Maple Lake came to welcome Arch Bishop Scott and give his hand a shake. To talk and shake hands with everyone, he did his best. We felt quite honoured to meet this special guest.

Again an interesting service in the chapel Sunday night. For Rev. John Burgess is clever, he took his message from John 14, verse 16. "I will pray to the Father and he will give you another comforter, that He may abide with you forever."

Someone is back with us again, who we are glad to see, Chris Precoor, after undergoing surgery.

Monday morning down at fun and fitness, Teddy Carr did win. He knocked down most of the bowling pins. Monday night interesting movies for all who did go. "Beaver Dam", "The Highland Heart of Nova Scotia" and "Swing With Snow".

Tuesday morning Rev. John James of Haliburton United church came to the chapel pulpit to fill, for Rev. Westhaver, for at present is quite ill.

Tuesday afternoon we went to Extensicare, to engage in carpet bowling. You have to be on your toes to keep the balls arrolling! When it comes your turn you just get up, that is if you want to chalk up points.

They say bowling is good for you, it loosens up your joints. We were treated royally while over there, these senior homes have a lot to share.

Tuesday night the Watson and Smith entertainers came, but it was so hot they said they might come back before September, but they may not.

Wednesday was such a lovely day we packed a picnic lunch, climbed in our bus and headed Dorset way. We had a jolly lot of volunteers. Mr. and Mrs. H. Brown, Carrie Drysdale, Beth Parker. Bless them all. Beth armed me around all day, so I wouldn't slip or fall. We ate our lunch in a nice park, where we spent a happy hour. When up the hill we went to see the Dorset tower. Then back we came to the Frost Centre. We thought we might get a cool reception. When we came to enter what a fine lady, bless her heart, showed us through the building. Told us about their activities here. Then showed a film of what takes place every month of the year. We saw a moose and a deer as we travelled on our way. Back to Hyland Crest to end a perfect day.

Edna Cowen, with her daughter, spent a week's holiday. We missed you Edna, when you were away.

Our Hyland Crest auxiliary ladies, served a tasty lunch this Thursday afternoon with tea, milk and soft drinks too. Without

these fine members, I don't know what we'd do.

Mr. and Mrs. Eldon Deacon with Brian Hamilton called the bingo numbers Thursday night. Thanks for a job well done.

Our entertainers came again Friday afternoon. They to lead us in a sing-a-long. Jean Cox to lead us in a tune. Grace sings a song or

two and reads some interesting rhymes. We look forward to this day, we have a jolly time.

Mark of Distinction

Don't fight grey hair or wrinkles - A lot of people admire them, knowing it takes lots of laughs and tears, and also years, to acquire them.

Winnifred Aileen Bedlington 1882 - 1984

Winnifred Bedlington (nee Delamere), was born in Minden April 28, 1882. She passed away June 18, 1984.

Mrs. Bedlington's father, J. H. Delamere Esq., was Police Magistrate, and Justice of the Peace for Haliburton County and part of the Muskoka area. J. H. Delamere was also the Registrar, Clerk of the County, owned the Minden Echo in its early years and for forty years was Superintendent of the Sunday School at St. Paul's Church. Winnifred Bedlington was educated at the Ontario Ladies College, Whitby, Bishop Strachan School, and the Royal Conservatory of Music in Toronto.

In 1902 Winnifred married Lyndsie H. Bedlington and moved to Oakville. Her husband died in 1935 and only son James H. Bedlington, Royal Canadian Mounted Police, was

killed overseas while serving with the first Divisional Provost Company (RCMP) in 1943.

Winnifred Bedlington was the most well and widely read person I have known. Very interested in people and a gifted musician and conversationalist, having composed several ballets for children. An extremely courageous lady with a lively and penetrating wit, which has enriched the lives of many.

A book of her verses was published in August 1978, which portray a part of her love of life.

Seven great, great grandchildren were pallbearers at her funeral, the youngest was seventeen years!

Memorial donations to the St. Paul's Church building fund for the Parish Hall will be gratefully received.

around the county town

Call 286-1288 — 9 a.m. — 4 p.m.

Saturday at 2 p.m. will see the grand opening of our County Town museum. Let's hope the weather stays nice for this most important event. Come out and see the marvellous job the committee have done in getting the exhibits prepared.

The agricultural society will meet in the agricultural building at Minden fairgrounds Wednesday, June 27 at 7:30 p.m.

Club 35 card party results from Monday evening were: most lone hands - George Alsop; high lady - Minnie Dawson; high man - Alex Stevenson (at last!). The door prize was taken by Mary Stevenson while other winners were Chrissie Cowling, Verna Sawyer and Lodi Mestroni.

Susan White and family from Barrie spent last week visiting her mother, Mrs. Jim Miles.

Winners from the Thursday card party at the library cultural centre were: lone hands: Pearl Cowan, others: Claire Brooks and Alice Todd.

We were happy to hear that Stuart Brandon is recuperating nicely after parting (albeit reluctantly) with his appendix. We hope we will soon see you back in circulation Stuart.

There will be movies for children every Friday evening at the library / cultural centre from 7:15 to 8:15. Admission is free.

Phil and Florence Robin-

son spent Tuesday visiting friends and relatives in Lindsay.

The Annual Strawberry Tea and Bazaar at Hyland Crest auditorium will take place Wednesday, July 4 from 2 to 4 p.m. Admission is free. The strawberry tea will cost \$2 for adults, children \$1.00.

The ladies of St. Paul's Anglican church will be holding their annual Strawberry Luncheon and Bazaar on Saturday, July 14 starting at 10 a.m. A delicious lunch will be served from 11 a.m. to 2 p.m. The charge will be \$5 for adults, \$2.50 for children 6 to 12, pre-schoolers free.

Once witches in the days of yore
Searched in fields and forest floor
For stuff to make their brew
Cackeling in sheer delight
Conjuring in their fancy's flight
The mischief they could do.

But that procedure is no more
They get them at the druggist store
They now conjure the ills
With dire descriptions
Get prescriptions
For the varied pills.

So that was how it came to pass
Our Ernie acted like an ass
The facts are quite revealing
And while one feels they'd like to spare
The feelings of his lady fair
Facts merit no concealing.

'Twas at the local shindig folks

His deary had no need to coax
For Ernie reared to go
But his deary took the reins
Firm applying her restrains
She liked it nice and slow.

They danced sedate around about
Till the old girl's legs gave out
With not another step
But Ernie he was feeling good
As any eighty year old should
And still had lots of pep.

He spied a sony plumply sweet
Restless tapping with her feet
And pondered if by chance
He'd never know just standing there
So he asked her if she'd care
To let him have this dance.

Now they went twice around the floor
But had he known what was in store
Or glimpsed that gimlet eye
That fixed them with a stoney stare
Each time the unsuspecting pair
Passed his deary by.

Now just a wee bit teeny C at
She thought to her enough of that
And pondered what to do
Then with a happy little purr
For it had just occurred to her
About that witch's brew.

Now obviously so sweet and kind
You'd never think t'would cross her mind
But Ernie's little dear
Surprise surprise
With snapping eyes
Dropped something in his beer.

Man oh man he hit the floor
Grabbed the sony and before
The lady's feet were down
Swung her round till she was dizzy
Had the lady in a tizzy
Was ever such a clown.

Natur'ly the lady fled
Sure the man was off his head
As indeed he was
And no one ever guessed or knew
Any thing about that brew
Or of those kitty claws.

Now Ernie hung his head in shame
Called himself by every name
For being such a fool
He never will by any chance
Envisage of the circumstance
That treated him so cruel.

W. Watson

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: Why was the mummy sent into the game as a pinch hitter?

A: With a mummy at bat, the game would be all wrapped up.

Q: What is Count Dracula's favourite sport?

A: Bat-minton (badminton)

Q: Where do zombies swim?

A: In the Dead Sea.

Q: What piece of jewellery frightens off a vampire?

A: A ring around the collar.

Agnes Jamieson Gallery
Opening on Thursday, June 28th at 7:30 p.m., continuing until July 28th, 1984 is an exhibition of watercolours by Janet McGhee. Janet paints landscapes using three approaches as an artist observing colours, shapes and effects of light; as a naturalist (she has been a dedicated naturalist all her life and loves the outdoors); and as a mystic. For her, the study of nature is like being in a "cathedral". Do plan to come to the opening and meet her.
* * *

Please bring your contributions to our Garrummage Sale, on July 7th, 1984, to the Gallery between 9 a.m. and 5 p.m. before July 6th.
